

## Networking Lunchtime Spotlight

# DUAL CAREER COUPLES - GLOBAL MOBILITY

**Thursday, May 7, 2009**

**What are YOUR career/job search questions?**

- What makes a relocation successful?
- Why is global mobility important for multi-nationals & international organisations?
- How does the UN view Staff Mobility & Dual Career couples?
- How to approach a job search when moving to a new country?
- What is the general employment climate in Switzerland today?

Join us for a roundtable discussion with representatives from the private sector, the UN and a provider of dual career support services for a comprehensive perspective on this subject.
